LESLIE KERR, WELL-KNOWN RESIDENT DIES AT LATIMER AVENUE HOME

Campbell lost one of its foremost citizens yesterday morning when Leslie Kerr, 75, died at his home on 20 West Latimer St. Graveside services will be conducted this afternoon at 1:30 p. m. at Golden Gate National Park at San Bruno. under the direction of Darling-Fischer-Krug Memorial Chapel in Campbell. He was a veteran of the Spanish American War.

Before coming to Campbell to retire, Kerr spent 30 years as a federal analytical auditor at Washington, D. C.

LESLIE KERR
. . . Funeral today . . .

While a Campbell resident he maintained a lively interest in civic affairs, and it was largely through his efforts that Campbell became a city of the sixth class, March 28, 1952. In weekly reports to the Campbell Press, Kerr submitted exhaustive reports to the residents of Campbell analyzing city income, expenditures, and other pertinent information relating to development of sixth class cities.

His study of incorporation contained in Press reports, has received state-wide recognition. Information from the Kerr reports are included in an edition recently published by University of California at Berkeley on the formation of sixth class cities.

Requests for information compiled by Kerr had been received from all parts of the state.

Aside from his work on Campbell's incorporation committee, Kerr actively campaigned for defeat of an $800,000 West Valley Hospital Bond issue. He was an unsuccessful candidate for one of Campbell's first city council posts. His most recent interest concerned promotion of local inventions.

He is survived by his wife, Anna, and children Elizabeth Tester, James and Marguerite Kerr. He had two grandsons, James and Dorothy, all of Campbell. He was the brother of Mrs. Mabel Paxson of Castro Valley and Mrs. Margaret Westchester of San Francisco.

Kerr was a member of Veterans of Foreign Wars, Lt. Byron C. Lanphear Post 6305 of Campbell, a Spanish American War Veteran, San Francisco and a member of Masonic Order, Pittsburg, Kansas.

According to family members, he had been in excellent health until he suffered a fractured hip in a fall outside his home last January for which he underwent an operation. He had been confined to his home since that time.

Gun Victim Still In Critical Way At Hospital

Harry Scott, 54, is still in a critical condition at County Hospital officials said Wednesday. Scott, Cambrian Park ice cream merchant, suffered a serious pistol wound in the head late Sunday night, which the Sheriff's Office said, was self inflicted.

When found in his store at 14293 Union Ave., Scott was bleeding from a bullet wound in the middle of the forehead. One bullet had ripped through the ceiling, and another had hit him in the leg.

He was moved to County Hospital and given immediate transfusions of blood. The bullet which was fired into his forehead had passed through the side of his head, hospital attendants discovered.

Officers reported that Scott had been despondent over marital troubles.

Community Chest Sets New Series Of Local Meets

The newly named Campbell area Community Chest is scheduling a series of meetings which will serve to acquaint community minded citizens with the tremendous need in the rapidly expanding Campbell area.

This service body formerly known as the Campbell Community Service Fund voted to join the Community Chests and Councils of America in order to clarify its purpose in the community. According to the Board's President, Edward Tablak, many people in the Campbell area have in the past contributed solely to the San Jose Community Chest without realizing the tremendous need in their own community.

Tablak also pointed out that the same Board of Directors will continue to direct the funds received and will serve the same receiving agencies in the Campbell area only.

The Campbell Directors have received dramatic reports from the Family Service Association represented by the Association's executive secretary, Mr. Leonard McConnell, and a report on scouting from District Camping Committee Chairman, Al Smith.

McConnell's report on the amount of service rendered the Campbell area in 1952 by this Red Feather agency, designed to prevent and heal family problems, dramatically highlighted Campbell's need for Family Service.

In 1952, for example, Family Service interviewed 272 clients from Campbell. In most cases this involved every member of 49 families. McConnel's budget request for Campbell for 1953 is $2,078.92 which is 8 per cent of the Family Service budget and the exact amount of money spent on clients from Campbell in 1952.

According to McConnell, contributions from the Campbell Communit Chest pay for only a portion of the service rendered but the agency has stretched its limited resources to cover the urgent needs for counseling from the Campbell area.

POLICE PONDER PANTIE PROBLEM

Nothing's sacred anymore. That's what Campbell women are thinking these days in the wake of a series of panty raids on local clotheslines over the past several weeks, according to the Campbell, Police Department.

Last Thursday, a housewife from Alice Way hung out her wash at 1:30 p. m., and left her home for shopping and other errands in Campbell. When she returned at 5:30 p. m., according to the police, she discovered seven pairs of unmentionables missing.

Another sortie occurred on Harrison Ave., last week, and William Kearney, foreman of Brynteson Ranch, reported to local police that he saw what appeared to be a teen ager raiding a clothesline from a neighboring house. He said he gave chase but lost the pantie pilferer in the vicinity of Campbell Grammar School.

In Memoriam

As the Stars and Stripes dips in tribute to those who died, and the bugle blows its mournful "taps," we pause to honor once again the brave sacrifice of those who fought so gallantly to preserve the freedom we hold dear. Let us honor them in the only way they would understand . . . by practicing the democracy they fought to maintain.

HENLEY OUTLINES SCHOOL BUILDING NEEDS AT MEET

William C. Henley, superintendent of Campbell Union Elementary School District, guest speaker at Campbell Kiwanis Club meeting

WM. C. HENLEY
. . . Kiwanis Speaker . . .

Tuesday, outlined projected school district building needs in light of rapid growth of school enrollment, to acquaint voters with the purpose of school authorization election scheduled for June 18.

Election will authorize the board of trustees of Campbell Union School District to receive and spend up to $750,000 of state money on a Lend Grant plan to build new schools, one at Southwest corner of Hamilton and Leigh Ave., another southeast of William and Winchester roads, and an addition to the Cherry Lane School, Henley said.

Henley cited actual enrollment increases of 1292 pupils since 1948 from 1809 pupils in 1947-48 to 3101 in 1951-52 and an estimated increase of 400 pupils yearly until in 1957, the board estimated a total enrollment of 5748 pupils.

"Even that figure had to be revised upward last month," Henley said.

Henley stressed the fact that there would be no raise in the tax rate for the proposed building projects, but there was a possibility of a reduction to a 40c tax rate for debt service.

NEW GRAMMAR SCHOOL PRINCIPALS SELECTED FOR NEXT SCHOOL YEAR

New principals have been selected and assigned for the Campbell Union School District for the coming year, William C. Henley, District Superintendent, said yesterday. Mrs. Ann Meredier, Vice-principal of the Grammar School will be assigned as principal of the new Cherry Lane School. New Hamilton School will have as its principal **Wayne Fontes of Soquel, formerly of Greenfield and Freedom, and Jack Fischer of Palo Alto will be the new principal of the San Tomas School. Fischer was formerly a supervisor in the superintendent's office of Tehama County.**

Cherry Lane school soon to be constructed on Giles Way is expected to be ready for occupancy about Christmas time, 1953, Henley said. Until completed Cherry Lane school pupils will attend classes in the Grammar School building, according to the superindentent.

Hamilton School, presently under construction is expected to be completed sometime in July. School officials said they would be interested to see this school in operation since it combines two types of construction. One part is built of average, reasonably expensive, solid construction materials and the other is an experiment in low cost school building.

URBAN AREAS MAY BENEFIT BY NEW LAW

Californians who live outside cities such as residents of local areas like Cambrian Park Area, San Tomas, Quito, and Moreland, will soon be able to puchase any desired government services from the county under the terms of the new "county service area law", approved by Governor Warren just before he left for the coronation in England.

Fire protection, police protection, neighborhood parks and recreation programs are among the important services which the new law enables the county to extend to the residents of any area who may ask for them. According to the County Supervisors Association of California, basic county governmental services will be provided as at present and will not be changed by the new law.

County representatives deny that the new law will mean automatic increased taxation for residents of unincorporated urban areas. They say that there will be a few instances of tax burden reshuffling, but only with the consent of the residents of the areas affected. The normal situation will be that where the residents ask the county to provide a special extended service.

The new act will apply only to "extended" services, by which the law makers mean special services given to the residents of one area over and above those provided all over the county. For instance, if a neighborhood desires a sheriff's substation with patrol cars, it may secure them under the new law by paying the extra cost of that service over the basic cost of the standard sheriff's services.

Three years of bitter controversy by the counties and the cities preceded the general agreement which enabled the almost unanimous approval of this law by both houses of the Legislature. City residents need no longer fear the possibility of "free tax rides" at their expense by those who live outside cities.

Extensive studies by the Legislature through its interim committees have shown that very few such free tax rides actually exist. The few that do exist can be wiped out immediately by the intelligent application of the new law.

"County government will attain a degre of flexibility never before possible. The county service area law can be revolutionary in its modernizing of county government service methods" declared William R. MacDougall, general manager of the supervisors association.

The new law is the work of expert county and city attorneys. Chief drafts-man of the bill was Los Angeles county counsel Harold W. Kennedy, acting in his capacity as chairman of the legal advisory committee of the supervisors association.

Many protections to the people, both as voters and as taxpayers, have been worked into the new law, according to its draftsmen. From the beginning step of a public hearing in the establishment of a county service area, on through to provisions for disolving areas, every protective device has been included for the benefit of the people.

Campbell award winners were: Joe Ellis, Merle Murty, Hans Nielsen, Julius Bachman, Angelo Lacitinola, and Walter Wagner.

Eleven departments and 23 foremen and first assistant foremen in Northern California plants received Safe Department Awards in recognition of operation in 1952 without lost-time accidents. Each foreman was presented with an engraved "Safety Oscar" on behalf of his entire department in permanent recognition of the departmental record.

In addition, a sterling silver Ronson Table Lighter was presented personally to each foreman and assistant foreman.

Campbell Marine Held In Slaying

A 19-year old Marine who gave his name as William Marion Lawson of 496 Pamlar Ave., is being held in Los Vegas, on suspicion of fatally shooting a 30-year old farmer last Friday.

Lawson was arrested Saturday afternoon in Los Vegas after police questioned another youth trying to pawn a gun. The lad said the weapon belonged to Lawson, who was arrested in a nearby bar. In a statement Lawson allegedly signed, he said he shot Joseph Cyr in a well the pair were digging because he was "fed up" with Cyr "Who was always talking about flying ghosts and walking corpses."

Lawson told Las Vegas police he escaped from the Marine brig at the Long Beach Naval Station six weeks ago where he said he was serving time for stabbing another Marine.

He said he met Cyr, who invited him to his 20-acre ranch to escape authorities. It was there he shot Cyr while they were digging a well his statement read, according to police.

CAMPBELL HI-LITES

Let's give praise
Where praise is earned
For that extra bit—
The "after school aid"
Let's remember the guy
The prints have spurned
Who does the job
And isn't paid
By even a comment,
A phrse, or allusion
Let's throw HIM roses
In perfumed profusion!

TO MR. CUNNINGHAM and the school golf team—which we hope will bring CUHS still another athletic championship in the finals on Monday, June 1st.

TO ALL OUR S. C. V. A. L. CHAMPIONSHIP TEAM MEMBERS who, with their fathers will be rewarded at a "Championship Banquet" by the Campbell Kiwanians and high school student body on Saturday night, June 6th, in the high school cafeteria.

TO RON HAYWOOD, the Buc Baseballer's leading batter, in the diamond season just completed. Ron was at bat thirty-six times and pounded out twelve important hits for our side.

TO RILEY HIGH, the "Abe Lincoln of Campbell," and our candidate for Santa Clara Valley's most likeable young future farmer. Humorous High has given his fourth period English class more than one quote to remember; someone ought to capitalize on his Will Rogers' type wit—certainly his "Reactions to boreau' 'top anything we've heard on radio or seen on TV. Riley is serious enough, though, in Mr. Al Smith's Ag Class, which is still talking about his recent design for a combination weighing scale, sorting chute, and wash rack (whatever that is!)

TO KEN BETH, a junior, who this year broke the mile record of Campbell High School, which had been set by ROD KOLZE in 1951. Ken's time was 4:37.1, bettering Kolze's record of 4:38.6.

TO TONY RUSSO, the school's conscientious gardener, who's never too busy to do the little extra things that people remember—like bringing gophers or moles out to the Ag classes, or giving a free rodent lecture, or sending "extra flowers" to the new mother, or for cleaning out one more flower bed or pruning one more shrub—or to attend a C. U. H. S. athletics event. His interest in "his boys" is heartwarming; certainly one of RICHARD RUSSO's teachers will never forget the compliment Tony went out of his way to give one morning!

TO DICK GLEED, another of Campbell's "All 'Round Greats" who is a winner in essay contests as well as athletic events, with the pen as well as the pigskin. You'll be hearing a lot about Dick in the future—or so aver the many scouts out after him. Dick is looking forward to the North-South High School bowl game in which he'll play this summer in Los Angeles.

TO handsome DON BIANUCCI, whose walnut veneered cedar chest recently won the blue ribbon in the Santa Clara Valley Industrial display. It's a pleasure to report that DON is one "A" student who's planning to go on and become a shop teacher himself. He's one senior all CUHS will miss, even if he is a woman hater.

TO MR. DICK DAVIS, another "Saturday worker" who's done an outstanding job in the Farm Mechanics shop, and who's one of the few of us who really follows the old "Place for everything and everything in its place" motto.

TO the personable Ag teacher, AL SMITH, our expert on camellias as well as cows, who is the only modest fisherman many of us have ever encountered. You can find him almost anytime out on the school farm feeding the hogs or suggesting improvements (just ask him for a free tour of the premises!) He's an inspiration to all who work with him in those 48 acres of the C. U. H. S. "ranch."

TO MR. FRANK MEISS, C. U. H. S.'s "Mr. Fix-It" who can repair anything from a mimeograph machine to a T.V. set, a lawn mower to a model plane. He's the kind of guy every woman wishes she'd married—especially when the wash machine breaks down on Monday morning.

AND TO "MR. MEISS'S BOYS" for the million chairs they've carried from the cafeteria to the girls' gym—for all the help they've been in setting up school events.

TO DAN DWYER, the best carpenter in the area, who did an amazing job in helping to construct the wonderland that was the recent Junior Prom, AND TO ALL MR. CULP's BOYS who made that beautiful "Stairway to the Stars", with 87 feet of guy wire every 18" and who lug around 300' of two by fours as though they were playing with an erector set, who are putting up all the frameworks for tomorrow afternoon's all school carnival, and will put up the pepper tree boughs for this June's graduation ceremony.

TO JOHN MITCHELL, who has proven time and time again that he's not afraid of work, whatever he's been asked to do, who's still an eager volunteer in a "Who, me?" age. On a Sunday? "Sure!" Holiday? "That's okay." Change a sprinkler pipe? "Okay!" Help build a hog barn? "Of course." Looking for a reward? "Nope. Just more work."

AND TO ALL THE CAMPBELL HIGHSCHOOLERS who day in and day out work at making the school year so much more than 172 required days, proving that Campbell Union High School is concerned with living as well as learning.

GRAMMAR SCHOOL DIAMOND BATTLE TO BE HELD SATURDAY AND TUESDAY

Two battles for first place in the California State Softball league race are scheduled for the Campbell Grammar School diamond in the next few days, when California Supply Company's juggernaut, now back on the track after a bad start in league play, battles two hot rivals.

Saturday night, May 39, the Cal Supply club will clash with their San Jose rivals, Willie Oilers, and Tuesday night, June 2, they take on their "jinx" club, Menlo Motors of Redwood City. Both games are scheduled for 8:30 starts.

Last week, Cal Supply took successive 2 to 0 victories over Peninsula Homes of Redwood City and Galileo Club of Richmond, as Bud Bosque twirled two sensational mound masterpieces to move into a 500 percentage and a tie for second place in the league standing. The classy San Jose nine traveled to Napa Sunday night, and dropped Napa Rough Riders 8 to 3 as they pounded the offerings of Luke Ross for 13 hits.

Much of the reason for last week's success can be attributed to the return to the regular lineup of Don Ouellette, speed-burning right fielder. Now hitting 406, the young former Santa Clara High and San Mateo Junior College diamond star, is rated one of the league's outstanding players. Buster Fontaine, center fielder, also boosted his batting average to 436 during the week, with the remainder of the club piling up enough hits to send the club's average to better than 280.

Pete Sanders will probably pitch Saturday night's game against Willi Oilers, with Bosque expected to start on the mound against Menlo Motors Tuesday night. The Menlo nine, whose lineup includes such well known athletes as J. R. Boone, San Francisco 49ers halfback, Ellery Williams, former Santa Clara University great, and Ted Holmes, former San Jose State basketball star, have beaten Cal Supply twice earlier this season, 2 to 0 and 3 to 2, the latter game requiring 12 innings. Cal Supply's record for the season is now 14 victories in 20 starts.

Willi Oilers suffered their second successive defeat in the Cal State league, when they dropped a 6 to 1 decision to Galileo Club. Cal Supply played Rouse & Boivie at Richmond Wednesday night. The Oilers had previously won three in a row.

Probable starting lineups for Saturday night's game will be:

Willie Oilers—"Scooter" Scoppettone or Eddie Ingram rf; Lou Tamone 3b; Joe Stasi ss; John Hanna c; Dave Rodarte lf; Jim Viso cf; Iggy Passantino 1b; Tony Lamarra 2b; and Ron Hindley or "Champion" Clark p.

Cal Supply—Jack Casey 2b; Gene Menges ss; Buster Fontaine cf; Bill Benevich 1b, Art Le Deit lf; Don Ouellette rf; Jake Wood 3b; Ray Rodriguez c; Pete Sanders p.

Jack Bradshaw or Vern Grafton will oppose Bosque on the mound Tuesday night. The latter hurled a string of 667 consecutive scoreless innings earlier in the season.

Ex-Campbellite Wins Singing Scholarship

A former Campbell girl, 18-year old Lynn Shelton, former pupil of Mrs. Virginia Hare Rutherford, recently won the Choral Guild of San Jose Scholarship in Singing.

Presentation was made at the Guild's scholarship benefit concert in Scottish Rite Temple, which featured the music of William Grant Still.

Miss Shelton is the daughter of Mr. and Mrs. Theodore Roosevelt Shelton of Los Gatos.

Dr. Still expressed himself as impressed with the young singer's vocal possibilities, early recognized by her former teacher, Mrs. Rutherford.

On the Guild's board of adjudicators for the scholarship selection were Dr. Robert Smithwick, Mrs. Boyd Pulley and LeRoy V. Brant.

Miss Lynn until recently lived in Campbell and is well-known here for her talent in piano and organ as well as in singing.

THE
CRACKER BARREL

Howdy, neighbor — We're tryin' to cook up a little ad so you folks will know we're still here. You know some folks came in the other day and said we were misrepresenting merchandise. Well, we rared right up and asked them why, and they said, "'Cause this stuff you call hamburger is better than hamburger." And we kindly said "Thank you," as we told them that we was puttin' out meats that we ain't afraid to take home and eat ourselves.

Well, you know that big "Baloney" that kids love in sandwiches? Well, folks, we're going to sell that good stuff this weekend for only 49c a pound. We can't sell no fresh meats on Saturday and Sunday this week, so come in early—and boy, oh boy, looks like you folks sure likes weiners, cause we sold almost enough last week to feed a hungry army—and say, friends, we got Chuck roast this weekend (that is, till 6 o'clock Friday nite) for 57c a pound. And listen to this we got that good old-fashioned sausage like Mom used to make at 58c a pound.

Here are some more bargains:

LARGE ORANGES 10 lbs. 77c
WHITE ROSE POTATOES ....10 lbs. 35c
GRO-PUP DOG FOOD 1 lb. pkg. 19c
BANANAS ..... 3 lbs. 25c
ALL-PURE MILK 3 tall cans for 39c

So come in and save Money We're open every night till 10.

Around The Town with Wayne

Say there's good news today! Today ,Thursday May 28th is the usual end-of-the-month Double Stamp Day in Campbell. Now this is nothing new in Campbell, this double stamp business; it's been going on for some time (much to the chagrin of San Jose merchants who abhor this form of local competition). However, in my opinion, it is still a newsworthy item because of the wonderful savings an alert shopper can make on this day. In case you didn't know, it's 6 per cent that you save on Double Stamp Day. No matter how you look at it that's six cents on every dollar you spend and that sounds mighty good to me.

TO CORONATE OR NOT TO CORONATE

History is about to be made. The greatest event in an Englishman's life is about to be consummated. The trumpets will blare, the flags will fly, glasses will be raised in toasts throughout the British Empire—But I wont be there. Fact is I don't even know a soul (personally) who will be on hand when Prince Phillip's lovely wife takes her queenly vows.

Maybe this does not have the makings of a major calamity but somehow it just doesn't tie in with my Journalistic training ideas. After all that is supposed to be part of newspaper work isn't it—seeing History in the making? Looks like we'll have to do our own History making right here in Campbell this year—and wait for another queen.

Just about the time I got to thinking the weather was becoming unbearable here, my Uucle Cy blew in blue from the wilds of Oregon—Tales of snow and sleet and 50 mph winds soon set me back in line—You never had it so good, boy.

Ah but not Helen De Rose—No, no poor little Helen's smiling face is absent from her Juvenile shop these days—back trouble—Seems Helen, who tips the scales 'bout eighty-four, ran into a stump she thought was no more, Now her car's all bent, Helen's been sent, into a bed for three or four—Days.

The local merchants are holding their collective breath waiting to see who'll occupy the space vacated by Deckers, Arnold, and Campbell Furniture & Appliance.

HYDES HOME FROM TRIP

Mr. and Mrs. Ralph H. Hyde have returned from a vacation spent at Zion Park, Bryce Canyon, and the north rim of the Grand Canyon. They returned by the way of Cedar City, Utah, and up into Ely, Nevada, and from there to Lake Tahoe and home.

Although the weather was very poor for picture taking, they were able to get in several shots between dust storms, hail, snow and wind.

Hyde is a firm believer in the theory that atomic bombs are causing all of our reckless weather. The nearer you get to Yucca Flat, Nev., the greater the proportion of people that substantiate this idea, he said.

THETA RHO'S SOCIAL SET

The Campbell Theta Rho Girls' Club is having a Box Social on June 14, at the Los Gatos Park. The Social is open to the public. Ladies are asked to bring a box lunch for two.

The club is also conducting a membership drive. Any girls between the ages of 12 and 18 who are interested in becoming a member or having additional information of the club are asked to contact the advisor, Mrs. H. Y. Rice or Phyllis Nelson or any of the members.

There is a rumor—a rumor—that a large grocery chain is interested. That is a rumor.

While thinking of the aforementioned Campbell F & A, it seems fitting to bid an adieu to Harold Estensen who will be sorely missed in this town. Harold is,a community spirited gent who, in his own modest, unassuming way, contributed a great deal to the city during his three years here as a merchant. He was always one of the first to take part in any project for the welfare of fellow Campbellites. An able leader in every sense of the word.

"Hans" Hansen (Taste Good Bakery) has been the most popular, not to mention the busiest, man in town the past few days. The Bakers strike really had 'em running in circles down there.

CAMPBELLITES PAY TRIBUTE TO LOCAL BOY

Thirty six Campbell families at the request of Mr. and Mrs. W. H. Ferris of 41 Sunnyside Ave., parents of two year old

JOHNNY FERRIS

Johnny Ferris, who died Tuesday, May 19, of a rare disease at University of California Hospital in San Francisco, will pay lasting tribute to his memory by donating to University research.

In making their contributions to Pediatric Ward 'H' of the university hospital, Campbell friends of Johnny Ferris through Mrs. Ferris said they hoped their efforts would help save the lives of other "Johnnies."

Instead of buying expensive, perishable floral displays, donations to disease research would make a more lasting tribute to her son, Mrs. Ferris said.

The Ferris' child succumbed to the rare disease after a year long treatment under close observation.

Campbell residents who contributed to the research fund include; Mr. and Mrs. A. W. Smith, Mr. and Mrs. L. R. Trummel, Mr. and Mrs. Darwon Skaggs, Mr. and Mrs. Harry Smith, Mr. and Mrs. Verlyn Fellman, Mr. and Mrs. Selby Bright, Mr. and Mrs. Detrick, Mr. and Mrs. Scelline, Mr. and Mrs. Robert Hoffman, Mr. and Mrs. Ralph Williams, Mr. and Mrs. James Cates of Los Angeles, Mr. and Mrs. Chester Helm of Montelello, Mr. and Mrs. L. Borland of Santa Clara, Mr. and Mrs. S. J. Humphreys, Mr. and Mrs. R. Cavin, Mr. and Mrs. N. A. Jones, Mr. and Mrs. Geo Kinsey, Mr. and Mrs. Charles Etter, Grandma Smith, Mrs. Viles, Mr. and Mrs. H. A. Pounds, Mr. and Mrs. Twillinger, Mr. and Mrs. Wm. Fenton and Mr. and Mrs. Davis.

MEET TO FORM SCOUT TROOP

At a meeting held Thursday evening in the Campbell Union High School Library, St. Lucy's Men's Club appointed a St. Lucy's Boy Scout Committee as a further step in sponsoring a Boy Scout troop in the parish.

Bud Levenberg, was appointed chairman of the committee and Dan Furtado, Merrill Grim, James Duggan, Al Ehrensing, Louis McKeown and Ed Stojanovich were appointed committee members. John Bowden was appointed Institutional Representative.

It was decided to meet again within a week for the purpose of policy setting and selecting a Scout Master.

At the last meeting Charles Mitchel, Campbell District Scout Commissioner, and Mark Judy, County Field Executive of the Boy Scouts gave addresses.

ONE INJURED IN CAR CRASH

W. N. Lloyd, of Campbell's Ainsley Corporation, was involved in an auto accident last Thursday at the intersection of Hamilton Ave. and San Jose-Los Gatos Road.

Driver of the other vehicle was William West, of 269 W. Julian St., San Jose. A passenger in West's car received a fractured wrist, but others involved in the accident recived no injuries. Both cars were damaged.

West was cited for failure to yield the right of way and for having no driver's license in his possession.

Lloyd said he was making a turn onto the San Jose-Los Gatos Road from Hamilton Ave. when the accident occurred. Other vehicle was traveling north on the highway.

Campbell Women Visit Campus

Thirty members of the Campbell Country Women's Club attended the recent May 18th pilgrimage to San Jose State College.

The women were taken on a tour of the campus by Lowell C. Pratt, director of public relations. The tour included the new engineering building, which was seen under the direction of Dr. Ralph J. Smith, head of the department, and the new music building, where Dr. Lyle W. Downey, head of the music department was their host.
